

# JACK ATTACK

**Thursday June 6th start - Every 2nd Thursday  
through August**

**\$2 entry per week**

**2 bowl triples**

**Teams picked by random draw each week**

**Names entered for draw by 6:45pm**

**7pm game start time**

**Free Pizza !!**

## How it Works !

- \* 2 sets of 5 ends plus sudden death tie breaker if needed
- \* No skips (all players remain at the mat)
- \* Mats at 2 meters and Jack is placed wherever starting team want it (23m minimum, 2m from far ditch maximum)
- \* Coin toss to decide who starts, winners of end bowl first in the next end. Winners of set decide who bowls first end of next set (or sudden death tie break end)
- \* Players can play in consecutive order or play out of turn, as long as each player plays 2 bowls per end
- \* No dead ends. Jack out of bounds or in the ditch re-spotted centrally at 2m
- \* Scoring is traditional, closest bowl scores 1 and each additional closest bowl of the same team scores an additional 1
- \* Each team can designate one end per set, prior to first bowl of the end, as a "power play" where their point total is doubled if they win the end
- \* Season standings will be kept
- \* Cash prizes to top 5 players (prize amounts dependent on how many play over the course of the season)
- \* Standing points awarded as follows: 2 pts per player for winning a set, 1 pt per player for drawing a set, 2 pts per player for winning a game (so 6 pts max are possible per week)
